President of M. Kolar Gold fields Sanitary (illegible)

Note

In letter No 1970 dy 14th April 1902, the Dy Com of Kolar represented that out of the two important Sanitary Sandes in the vicinity of the Gold Mines, the one at which is held on Sundays is being very largely attended and that a monthly market, known as the "Pay" is also held at the place for two days following pay day of the Coolies & others of the mines, when a large people gather at the locality, whereas the other, at which is about 2 miles from Oorgaum "being held Tuesdays, a small portion of the mining population also resort to that market, though the gathering is very small scale as compared with Oorgaum". It would appear that the merchants who resort to Pichapally, request that this Shandy may be changed to Oorgaum, so that they may have the opportunity of holding a market twice a week at Oorgaum

Sundays and Wednesdays, instead of, as at present, Sundays at Doregam and Tuesdays at Pichapally". It was alleged, besides, that "the change from Tuesday to Wednesday does not interfere with any of the neighbouring Shandies" The D.C. also set forth that, under a resolution of the Sanitary Board, certain Market-fees were being collected at the new market enclosure at Doregam, which was nearing completion and that by the proposed to hold another Shandy at the place, the Board would reap a considerable profit, and he finally requested that permission be granted to close the market at Pichapally and allow an additional fair to be held on Wednesdays at Doregam, tentatively for six months.

With reference to the above, the D.C. was asked, in docket No 5854 dy 21st June 02, to furnish (1) further information about the market fees referred to in the Resolution of the Board dy 8th Feby 02) and (2) a report as to why the Sante at Pichapally should be closed to have two Santes at Doregam.

In reply, Mr Carr (as President of the K.G.T. Sanitary Board), states in letter No 10 dy 3rd July 02, "full information regarding the fees and the changing of the Sante was given in my letter and Mr Camp L.T.45 dy 20th May 02 and C. 1970 dy 14th April 02 respectively. The merchants &c who resorted to Pichapally Shandy as already stated in para 3 of my letter No C. 1970 dy 14/4/02 and the public generally are greatly benefitted by the change. No doubt a small minority of the villagers ~~near~~ near Pichapally may suffer slightly by the change, but

but the least majority of persons living at the North end of the field are greatly convenienced by the Shandy being held in such a central position as Doregaum. The Sanitary Board also entirely approve of the change...". (Resolution 10 d/ 19/6/02 of the Sanitary Board refers to D.C's letter regarding the removal, as a tentative measure, of the Pickapally Shandy to Doregaum market enclosures and approves D.C's action).

(The words underlined in the next preceding para warrant the inference that the change proposed by the D/ Commr has been already given effect to, and that the additional Shandy is being held at Doregaum — in anticipation of sanction.)

Market fees:-

Referring to a communication to the effect that a portion of the Shandy market (at Doregaum) was ready for use, the Sanitary Board resolved that before throwing it open to use, full details be decided upon as regards market fees. ※ Ref. mark A.

At a meeting of the Sanitary Board, held on 22/3/02, ⊗ A, certain market fees rates were passed, the following being some of them:-

5. Butchers—beef & mutton— { —4—a / —8—a / 1—a—a

7. Poultry..... { —4—a / —8—a

The President was asked, in memo No. 17033/2731-99 d/ 21/4/02, to explain the object of the Sub-varieties of rates in respect of the two items quoted above. The President's reply thereto, viz. ✕ B

OFFICE OF THE DEPUTY COMMISSIONER

KOLAR DISTRICT.

DATED 14th april 1902

From

F. C, CARR, *Esqr.*

Deputy Commissioner,

Kolar District.

To

H. V. Narayanayya Esqr.
Secretary to the Government
of Mysore Revenue and
General Department.

Sir,

I have the honor to state that two important Weekly "Santes" or markets are being held in the vicinity of the Kolar Gold Mines in the Bowringpet Taluk, one at Ooregaum and the other at Pitchapalli. The former is at the most central spot for the whole Gold Field, and besides the weekly market every Sunday there is a monthly one which lasts for 2 days soon after the pay is distributed to the Coolies &c by the Mining Companies. This is locally

known as Pay-day Shandy" and some 10000/- people congregate at Oregaum on those days.

2 Pitchapally is just over two miles from Oregaum and the market day there being on Tuesdays a small portion of the mining population also resort to that market, though the gathering is on a very small scale as compared with Oregaum

3 Under a resolution of the Sanitary Board, copy of which has already been submitted to Government for sanction, certain market fees are now being collected from the merchants and Vendors before being permitted to enter the new market enclosure at Oregaum, which is now nearly Complete. The merchants &c who now resort to Pichapalli, request that this Shandy may be transferred to Oregaum, so that they may have the opportunity of holding a market twice a week at Oregaum viz on Sundays and Wednesdays instead of, as at present, Sundays at Oregaum and Tuesdays at Pichapalli— ——

This change from Tuesday to Wednesday does not interfere with any of the neighbouring Shandies. —

4 It is under contemplation to build stalls with roofs in the Coregaum market, to protect the market vellers against sun and rain, and the representation of the merchants that the Pichapally Shandy should be shifted to the more convenient and centrally situated Coregaum market enclosure, appear to me an eminently sensible suggestion.

The Military Board also will reap a considerable profit by this arrangement without extra expenditure, as the same market fees will be levied on both days viz: Sunday and Wednesday. —

5 I beg under the above circumstances, for permission to close the market at Pichapalli and allow another Shandy to be held at

Oregan on Wednesdays, tentatively
for six months.
